Christine,

In the time I went to grab a cup of coffee, I got your email as well as this one from DOJ forwarding the response from Nina's lawyer.

Just received from Paul. And I understand Joelle and Christine are in the process of crafting some further talking points/responses based upon the call with NWEA last week. Perhaps the four of us should talk when Jennifer is back in the office on Thursday?

Hi Kris and Jennifer—

Thank you for facilitating the good discussions last week, and for the agencies' proposal to settle the current dispute. Northwest Environmental Advocates' response is attached. We look forward to continuing the discussions and to hearing from you soon. Feel free to call me if you have any questions or concerns.
